SECRET 25X1 . 2 . passed through Eberswalde, coming 25X1 from, the direction of the cantonment at Duesterwinkelbruecke and proceeding toward east. At 9:45 a.m. on 9 October, a column of 6 sedans, 4 field kitchens. 25X1 and 30 trucks 25X1 entered the west section of the Schuetzen Kaserne, Eberswalde, coming from the direction of the motion picture theater 25X1 the column went to the headquarters billets. The trucks included 3 large van-like trucks with grated windows, behind which officers and EM were seen sitting at map tables, the column 25X1 included a total of about 450 officers and EM, including 20 uniformed women, all wearing red-bordered black epaulets; and that it involved the headquarters, returning from an exercise. On the same day, intensive traffic by individual soldiers, involving a total of about 150 troops, was observed between the economic buildings and the quarters in the east section of the installation. 5. At about 5:30 p.m. on 7 October, a column of 1 sedan occupied by 4 officers, 25X1 8 motorcycles, 21 sidecar motorcycles including 3 mounting light machine towing an AT gun, 1 armored scout car, 1 armored guns; truck 25X1 personnel carrier and about 100 troops wearing red-bordered black epaulets passed through Finkenkrug, coming from the direction of Schoenwalde and proceeding toward Doeberitz. 25X1 6. On 5 October, stated that the Soviet 25X1 komendatura was not able to relinquish any requisitioned buildings in Hermannswerder and that, 600 students of 25X1 medical courses would be quartered in Hermannswerder. 7. At 7:30 p.m. on 9 October, a column of 5 heavy radio trucks with folded radio masts on special trailers and 3 trucks passed through the Kummersdorf estate, coming from the direction of Trebbin and proceeding toward Sperenberg. Motor vehicle numbers could not be identified because of poor light. 7 Comment. Artillery units have not been carried at 25X1 the Goerries Fliegerhorst so far. probably observed a ship-Comment. ment of tank units of the 19th Gds Mecz Div. 25X1 The two other trains are rather safely believed to have carried units of the 10th Gds Tank Div, 25X1

SECRET

SECRET 25X1 25X1 3. Comment. The engineer column observed on 12 October 4. 25X1 belonged to the 3d Engr Regt of the Fourth Gds Mecz Army which, thus, can be confirmed in Eberswalde until the date mentioned. The unit which entered the Schuetzen Kaserne on 9 October, probably was an echelon of the army headquarters. 25X1 Comment. Probably movements of units of the 1st Mecz Div, which, with 25X1 large elements, has been stationed in the Doeberitz training area since early October. 25X1 Comment. 25X1 a new hospital had transferred to Potsdam-Hermannswerder in late September. However, it may also be possible 25X1 that a medical school will be established there. Comment. Presumably a signal column of the GOFG. 25X1
